Professional Summary

Computer Science student with hands-on experience in Full-Stack Web Development using React.js, Node.js, Express.js, and MongoDB. Passionate about building scalable software applications and solving programming problems using Data Structures and Algorithms.

Technical Skills

Programming Languages: Java, Python

Frontend: React.js, HTML5, CSS3, Responsive Design

Backend & Databases: Node.js, Express.js, Firebase Authentication, MongoDB, MySQL

Tools: Git, GitHub, VS Code, Postman,Vercel

Core CS: Data Structures and Algorithms, DBMS, Operating Systems, Computer Networks, OOP

Experience

Web Development Intern **Dec 2024 – Feb 2025**
CoderOne *Remote*

- Developed the frontend of a Task Management System using React.js and created reusable components for different features.
- Designed responsive web pages that provide a consistent user experience across desktop, tablet, and mobile devices.
- Worked with a 4-member team to develop and improve the application based on project requirements.
- Connected React frontend components with REST APIs to send and receive data between the frontend and backend.

Projects

WasteGuide AI | GitHub | Live Demo

- Developed a web application that provides AI-based guidance on how to dispose of different waste items.
- Built the frontend using React.js and backend using Flask, with Groq API for AI-based responses.
- Integrated Google Maps API to help users find suitable waste disposal centers.

Gamified Learning | GitHub | Live Demo

- Developed a React-based learning platform with interactive quizzes to make learning more engaging.
- Implemented user registration and login using Firebase Authentication.
- Designed a simple and responsive user interface for a better learning experience

Education

Vishnu Institute of Technology, Bhimavaram **2023 – 2027**
B.Tech in Computer Science and Engineering, CGPA: 8.65/10

Narayana Junior College, Vijayawada **2021 – 2023**
Intermediate, Marks: 936/1000

Holy Trinity High School, Dharmajigudem **2020 – 2021**
Secondary Education (10th Grade), Marks: 600/600

Certifications & Achievements

- Designed and delivered a Git and GitHub workshop for 65+ students, formally recognised by the CSE.
- Full Stack Web Development Certification Vishnu Vedic Institute (Nov 2025) | **View**
- Secured a Rank of 5063 in AP EAMCET
- Solved 100+ Data Structures and Algorithms problems on LeetCode
